Hi,
I'm Frances – owner and founder of Special Occasions Travel Services. Since 2004, Special Occasions Travel Services has been helping individuals and groups plan the perfect vacation getaway.

I specialize in group travel—such as school and class reunion groups, “girls-getaways,” book clubs, association groups, and just friends and family. I have planned lots of cruises to many international destinations and many tours of South Africa, Italy, and other European countries.

My personal travel includes cruises on most of the major cruise line and travel to six of the seven continents—including Africa, Asia, North and South America, Australia and Europe.

We offer:

- A trip tailored to your individual interests and budget
- Assistance with choosing destination(s), lodging, transportation and local activities
- Booking and reconfirmation of *all* travel components
- Advice on and assistance with all travel-related issues--including passport and visas, travel insurance, currency exchange, restaurant reservations, spa reservations, etc.
- Full access via phone and e-mail to your travel consultant.
- Personalized departure packet, including a destination “mini-guide” (sights, restaurants, etc.)
