Key West. Located closer to Cuba than to Miami, Key West is Florida's irreverent southernmost subtropical paradise, a unique confluence of history, climate, natural beauty, cultural diversity, architecture and unabashed romantic appeal. Palm-lined streets with gingerbread mansions and tin-roofed conch houses were home to Ernest Hemingway, Tennessee Williams, Elizabeth Bishop, Robert Frost and Jimmy Buffett, a few of the famous people who discovered solace and inspiration in the island city whose Bahamian and Cuban heritage in large part was inspired by Bahamian wreckers, commercial fishermen, spongers and Cuban cigar makers.

Havana. The door to Cuba's soul, Havana captivates with its larger-than-life culture, sultry rhythms and weathered beauty. Take a relaxing stroll along the evocative Malecón, the quintessentially Cuban thoroughfare and get lost among the Baroque facades and colonial cobblestone streets of Old Havana. Enjoy traditional Cuban fare such as moros y cristianos (black beans and rice) and ropa vieja (shredded beef). Visit the grandiose Capitolio Nacional and explore the world-class art collection at Museo Nacional de Bellas Artes, which showcases everything from colonial-era paintings to countless masterpieces from Cuba's famed Vanguard period. Sip a daiquiri at Hemingway's favorite haunt, El Floridita, happen upon a live jazz group and simply savor the eclectic moment in this corner of the Americas.
